TECHNICAL SUPPORT, FUNDING AND CAPACITY BUILDING: CURRENT OPPORTUNITIES DIGEST #3(14): ONGOING GRANT OPPORTUNITIES OVERVIEW

About the digest

Subscribe to our digest and receive updated information as new opportunities of funding, technical support and capacity building for civil society and communities organizations in EECA region appear:

<http://eecaplatform.org/en/home/>

Regional Platform-EECA functions as a **knowledge and information exchange platform** among all stakeholders of the HIV and TB responses in EECA. Thus, we gather all important messages and announcements for and from NGOs, community networks and KP initiative groups and comprehensively inform them about all current opportunities. Send us your information and we will add it to our next digest!

Give us 2 minutes of your time - fill in the [feedback form](#) about our digest. We are doing this for you and we want the information to be relevant for your needs!

IN THIS ISSUE

1. UNODC: HIV/AIDS Grants for Civil Society Organizations
2. Call for Membership to the Developing Country NGO Delegation to the Board of The GF
3. TB community requests WHO to put micobacterium tuberculosis on the Global Priority List of antibiotic-resistant bacteria
4. Training Course in Sexual and Reproductive Health Research 2017
5. Four capacity building courses from The Union

PARTNERS EVENTS AND LOCAL OPPORTUNITIES

FROM PREVIOUS ISSUES: do not miss your opportunities!

UNODC: HIV/AIDS Grants for Civil Society Organizations

The United Nations Office on Drugs and Crime (UNODC) is currently seeking proposals for its HIV/AIDS Grants programme to provide funding support to Civil Society Organisations (CSOs) including Community Based Organisations (CBOs) working in the area of HIV prevention, treatment, care and support among people who inject drugs and people in prisons whose projects are aimed at building capacity of national partners.

Deadline: 20 March 2017

Maximum budget: 30,000 USD

Community-based organisations are particularly encouraged to apply as the Call is aimed at helping to ensure that people who use drugs and people in prison will receive higher quality HIV services that are better tailored to their needs.

The Grant funding under this Call for Proposals shall be provided under the following categories:

Category 1: Building capacity of the civil society organizations, in particular community-based organisations, in implementation of HIV services and programs

Category 2: Building capacity of the civil society organizations, in particular community-based organisations, in results-based program management and leadership

Category 3: Building capacity of the civil society organizations, in particular community-based organisations, in developing sustainable partnerships with government stakeholders and local partners

More details can be found on the [Regional Platform-EECA](#) website.

Call for Membership to the Developing Country NGO Delegation to the Board of The GF

The Developing Country NGO Delegation to the Board of The Global Fund to Fight AIDS, Tuberculosis and Malaria is seeking new members for 2017 to 2019 with the possibility of renewal.

Deadline: Friday March 17, 2017

The aim of the Delegation: to contribute to and influence Global Fund (GF) policies and practices in an effort to make them continually and appropriately responsive to the needs of those affected by HIV/AIDS, Tuberculosis and Malaria and the NGOs and CBOs providing necessary services.

The role of the Delegation member: to support the Team, Board Member and the Alternate Board Member on issues related to the Global Fund; to bring to the Global Fund Board the concerns and voices of the civil society community from developing countries worldwide as well as to disseminate information from the Board to those communities within their region and beyond.

The ability to work in written and spoken English is a must.

More details, including the TOR, can be found on our [website](#).

TB community requests WHO to put *Mycobacterium tuberculosis* on the Global Priority List of antibiotic-resistant bacteria

Global TB community demands inclusion of *Mycobacterium tuberculosis* in the WHO's Global Priority List of antibiotic-resistant bacteria to guide research, discovery and development of new antibiotics.

[Here](#) you will find the letter, prepared by Stop TB Partnership. If you wish to add your signature to the petition, please send your name and name of your organization to Colleen Daniels (colleend@stoptb.org).

Training Course in Sexual and Reproductive Health Research 2017

What: Distance Learning Course "Sexual and Reproductive Health Research Course 2017"

When: May-November 2017 (7 months)

Deadline for receipt of applications: April 15, 2017.

The aim of the course: to provide health professionals with knowledge, skills and competencies in sexual and reproductive health, as well as research in this field, especially for those health care providers whose access to learning is limited by time, financial resources or other constraints and for whom access to quality education in the field of sexual and reproductive health is limited.

For more information, visit [our website](#).

Four capacity building courses from The Union

The Union The International Union Against Tuberculosis and Lung Disease (The Union) offers four capacity building courses:

1. Budget and Finance for Non-Profits
2. Strategic Planning and Innovation
3. An Approach to Strengthening Health Systems
4. TB-HIV Clinical Management Course

The courses are fee-based and will be offered in May-August 2017 in either Dubai or Singapore.

For more information, please see [our website](#).
