

# WHO we are? WHAT we do?

---

## **TB Europe Coalition**

is a regional advocacy network of civil society organisations and individuals from across the WHO Europe region.

Established in 2009,  
registered as a legal entity in 2018.

**231 members**  
across **34 countries**

## **TWO key areas of focus:**

- **CAPACITY BUILDING** - support civil society organisations and activists in their advocacy role at national level;
- **ADVOCACY** - coordinate and carry out evidence-based TB policy advocacy at regional and international level;

# TBEC thematic areas

## Key contributions to TB REP 2.0:

- Bridging the gap between health and civil society services
- Regional advocacy on quality people-centered care
- Peer-learning focused on the operational role of the CSOs in the service provision and case finding (prepare package of tools);
- Advance social contracting and CSO delivering services;
- Forge partnerships with the national TB caucuses and national CSOs;
- Capacity of community and CSOs to address human rights and gender-related barriers
