

New phase of the Global Fund Community Engagement TA Program

28 March 2024

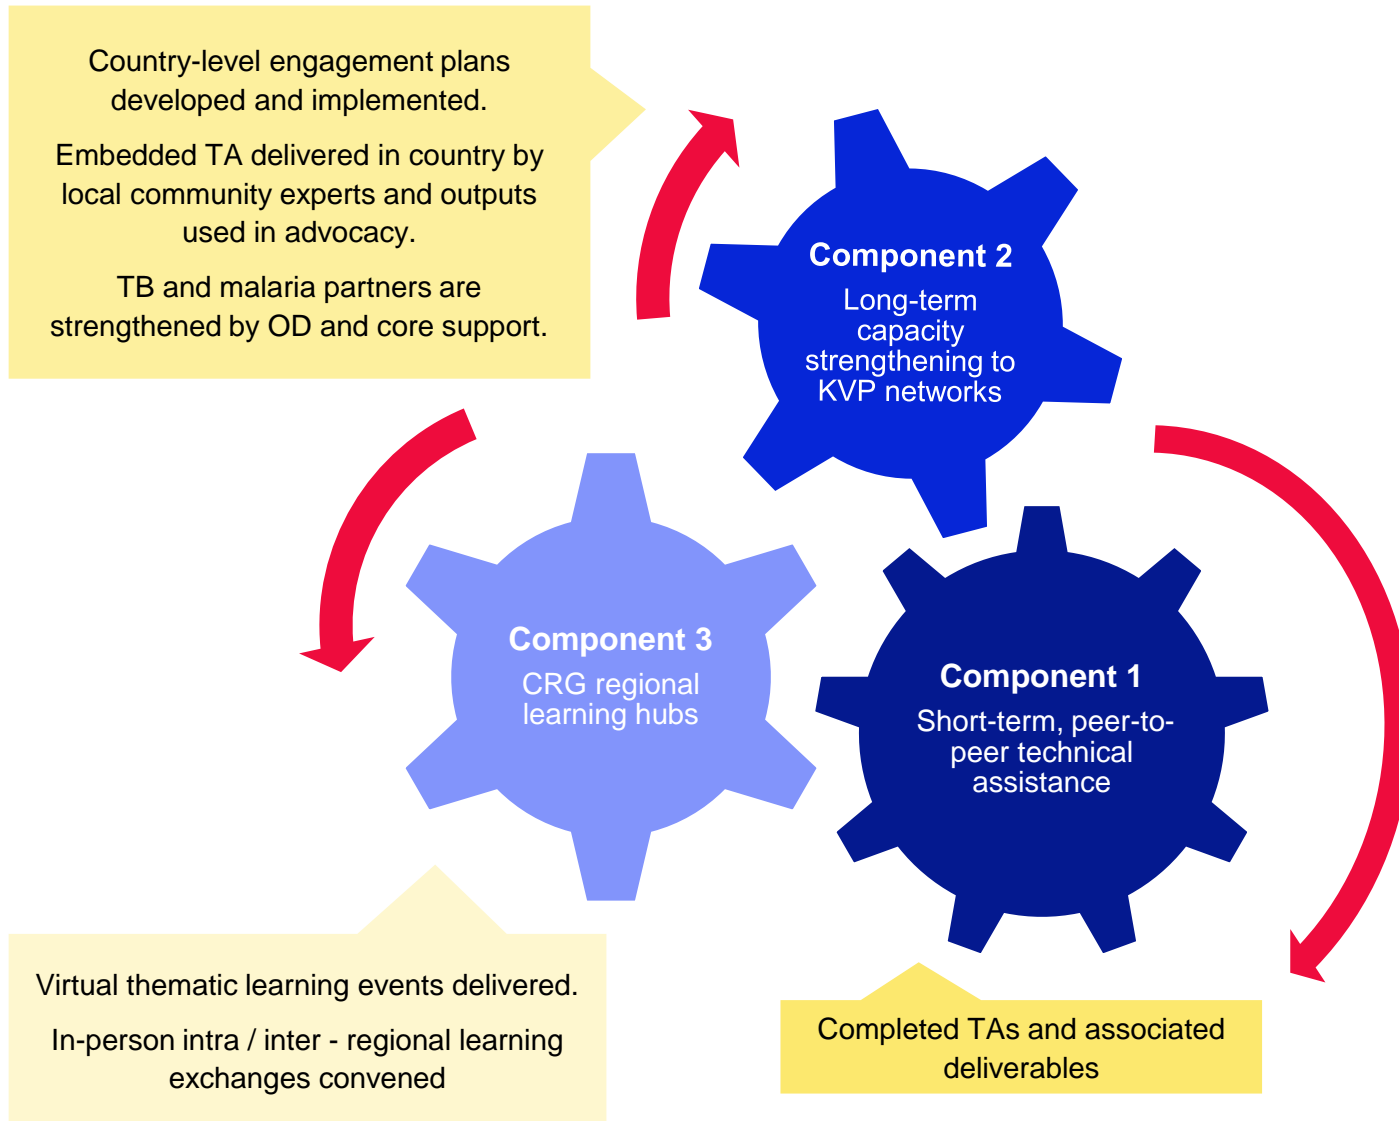

CE SI Objective

Strengthened leadership and engagement of communities most affected by HIV, TB and malaria in Global Fund and related national processes, throughout the grant life cycle, to improve the impact of Global Fund investments.

CE SI Components

Outcomes	SI Catalytic Effect
<ol style="list-style-type: none"> 1. Communities generate and use data to inform advocacy and decision-making. 2. Communities have capacity to mobilize and hold their representatives and decision-makers accountable. 3. Communities access timely and relevant Global Fund - related information. 4. Communities drive program quality based on adoption of global guidance and sharing best practice. 	<p>Strengthened leadership and engagement of communities most affected by HIV, TB and malaria in Global Fund and related national processes, throughout the grant life cycle, improves impact of Global Fund investments</p>

Who is who? – CE SI partners

19 COMPONENT 1 Technical Assistance Providers (pre-selected)

5. **Eurasian Movement for the Right to Health in Prisons (EMRHP)**
6. **Frontline AIDS (Lead) + ATAC + Coact + Y+ Global***
7. **Health Advocacy Coalition (HAC)**
8. **Harm Reduction International (HRI)***
9. **HIV Legal Network (Lead)* + Attika**
10. International Community of Women Living with HIV Eastern Africa (ICWEA)*
11. Initiatives Conseil International Santé (Lead) + Civil Society Institute for Health - West and Central Africa (CSIH-WCA)*
12. **International Network of People Who Use Drugs (INPUD)**
13. **International Council of Aids Service Organizations (ICASO)***
14. Kenya Legal & Ethical Issues Network on HIV and AIDS (KELIN)
15. Kenya NGO Alliance Against Malaria (KeNAAM)*
16. **Mainline Foundation***
17. Pangaea Zimbabwe
18. Plan Consortium
19. **TB Europe Coalition (TBEC)***

**TA provider during the CE SI 2020-2022*

6 COMPONENT 3 Regional Learning Hubs

1. Anglophone Africa, hosted by the Eastern Africa National Networks of AIDS and Health Organizations (EANNASO)
2. Asia-Pacific, hosted by Seven Alliance Consortium
3. **Eastern Europe and Central Asia, hosted by the Eurasian Harm Reduction Association (EHRA)**
4. Francophone Africa, hosted by Réseau Accès aux Médicaments Essentiels (RAME)
5. Latin America and the Caribbean, hosted by Via Libre
6. Middle East and North Africa, hosted by MENAHRA in partnership with MENA Rosa

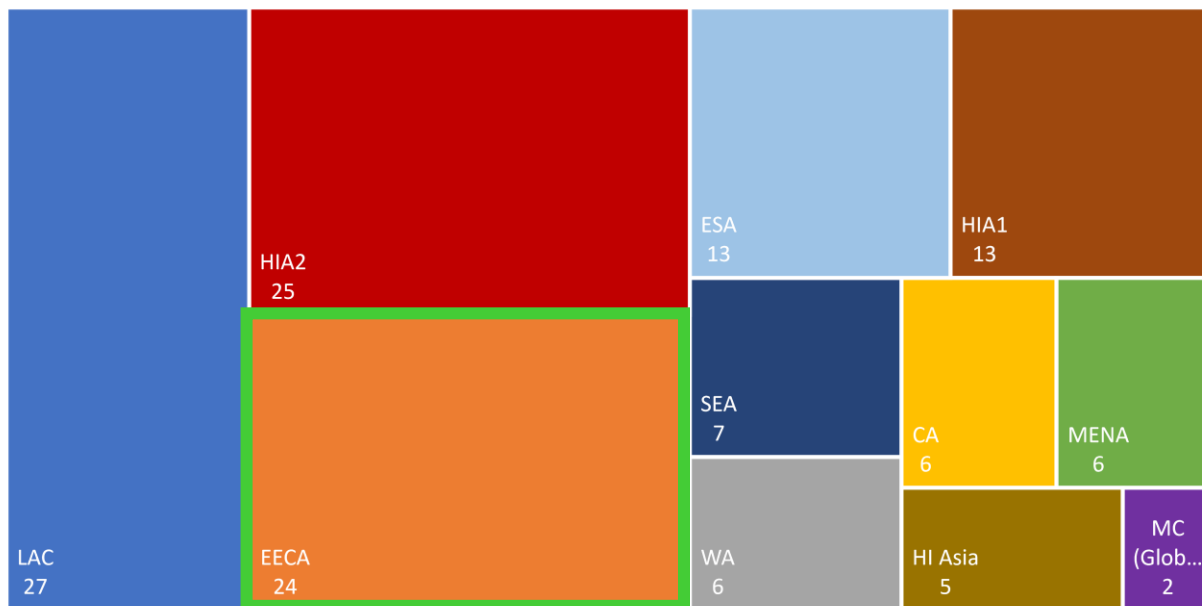

12 COMPONENT 2 KVP Networks and Organizations

- 6 **Networks of HIV Key Populations: GNP+ (PLHIV), NSWP (SW), MPact (MSM), GATE (TG), INPUD (PWID), Y2Y Consortium (Young KP)**
- 5 **Networks of TB Activists: ACT! AP, ACT Africa, TBEC, DRAF TB, SES**
- 1 **CSO Network for Malaria Elimination: CS4ME**

→ Many TA providers (component 1) have the capacity to provide TA in the EECA region.

→ Several KVP networks (component 2) support country partners in EECA: Azerbaijan (TBEC), Kyrgyzstan (INPUD), Moldova (GNP+, TBEC), Ukraine (NSWP, Y2Y, TBEC)

Short-term TA under the GC6 CE SI

Number of Completed TA Assignments, by Region

Country	Assignment Scope
Tajikistan	To conduct a situational assessment of barriers to TB services for women and develop recommendations on how to address them (phase 2)
Russia	To ensure the meaningful involvement of the civil society and communities' representatives into the national dialogue processes in Russia for the purpose of the development of the new HIV proposal to the Global Fund.
Albania	To support the development of an analysis of efficiency and effectiveness of services provided to KP by CSOs
Belarus	To support the participation of representatives of CSOs/CBOs in the development of the upcoming funding request
Georgia	To support meaningful engagement of TB and HIV community groups in the development of the Georgia HIV/TB funding request
Tajikistan	To engage local CBOs/NGOs in CLM of HIV and TB services to detect and address gender, stigma and human rights issues that hinder access of key populations to HIV and TB prevention and treatment.
Russia	To strengthen the participation of Key Community Forums in GF HIV grant implementation.
Azerbaijan	To support civil society improving the quality of civil society services related to HIV, through the introduction and use of international IDUIT tools.
Georgia	To strengthen the meaningful involvement of PWID community into the Global Fund related processes in Georgia.
Ukraine	To obtain relevant data reflecting the current reality of the reproductive health situation of women with HIV to inform GF programming.
Azerbaijan	To ensure effective participation of civil society in Global Fund processes at the national level by improving the quality of HIV services provided by civil society, through the introduction and use by civil society of international SWIT tools.
Kyrgyzstan	Assess the impact of the new legislation on access to HIV and TB services for PWID and develop an advocacy action plan linked to catalytic funding and designed to overcome legal barriers for PWID
Moldova	Assess the impact of national drug policies on Global Fund grants, and develop a set of drug policy recommendations and an advocacy strategy to influence existing drug policies to improve the HIV response.
Kazakhstan	Increase participation and involvement of ex-prisoners and CSOs working with prisoners in Global Fund related processes through awareness raising, development of an engagement plan and identifying priorities for GC7
Serbia	Capacity strengthening of the CSOs in terms of knowledge and practices related to GF to increase scope and quality of HIV and TB prevention and support services at the national level.
Tajikistan	Strengthen the capacity and meaningful participation of civil society and communities of key populations in the process of national dialogue for GC7
Belarus	To support community engagement in GC7 HIV and TB funding request development.
Montenegro	To strengthen community engagement in GC7 funding request development.
Armenia	To strengthen community engagement in GC7 HIV funding request development.

Examples of short-term TA

Short-term TA: What is on the menu?

1. Situational analysis and needs assessments
2. Engagement support in country dialogue across the grant life cycle
3. Engagement support in program design and oversight of GF grant implementation
4. Engagement in NSP review and development

3

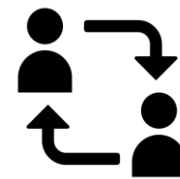

MONTHS

- Mobilization of expertise within three months
- Implementation for a period of three months

30

EXPERT DAYS

Up to 30 days per expert

PEER TO PEER

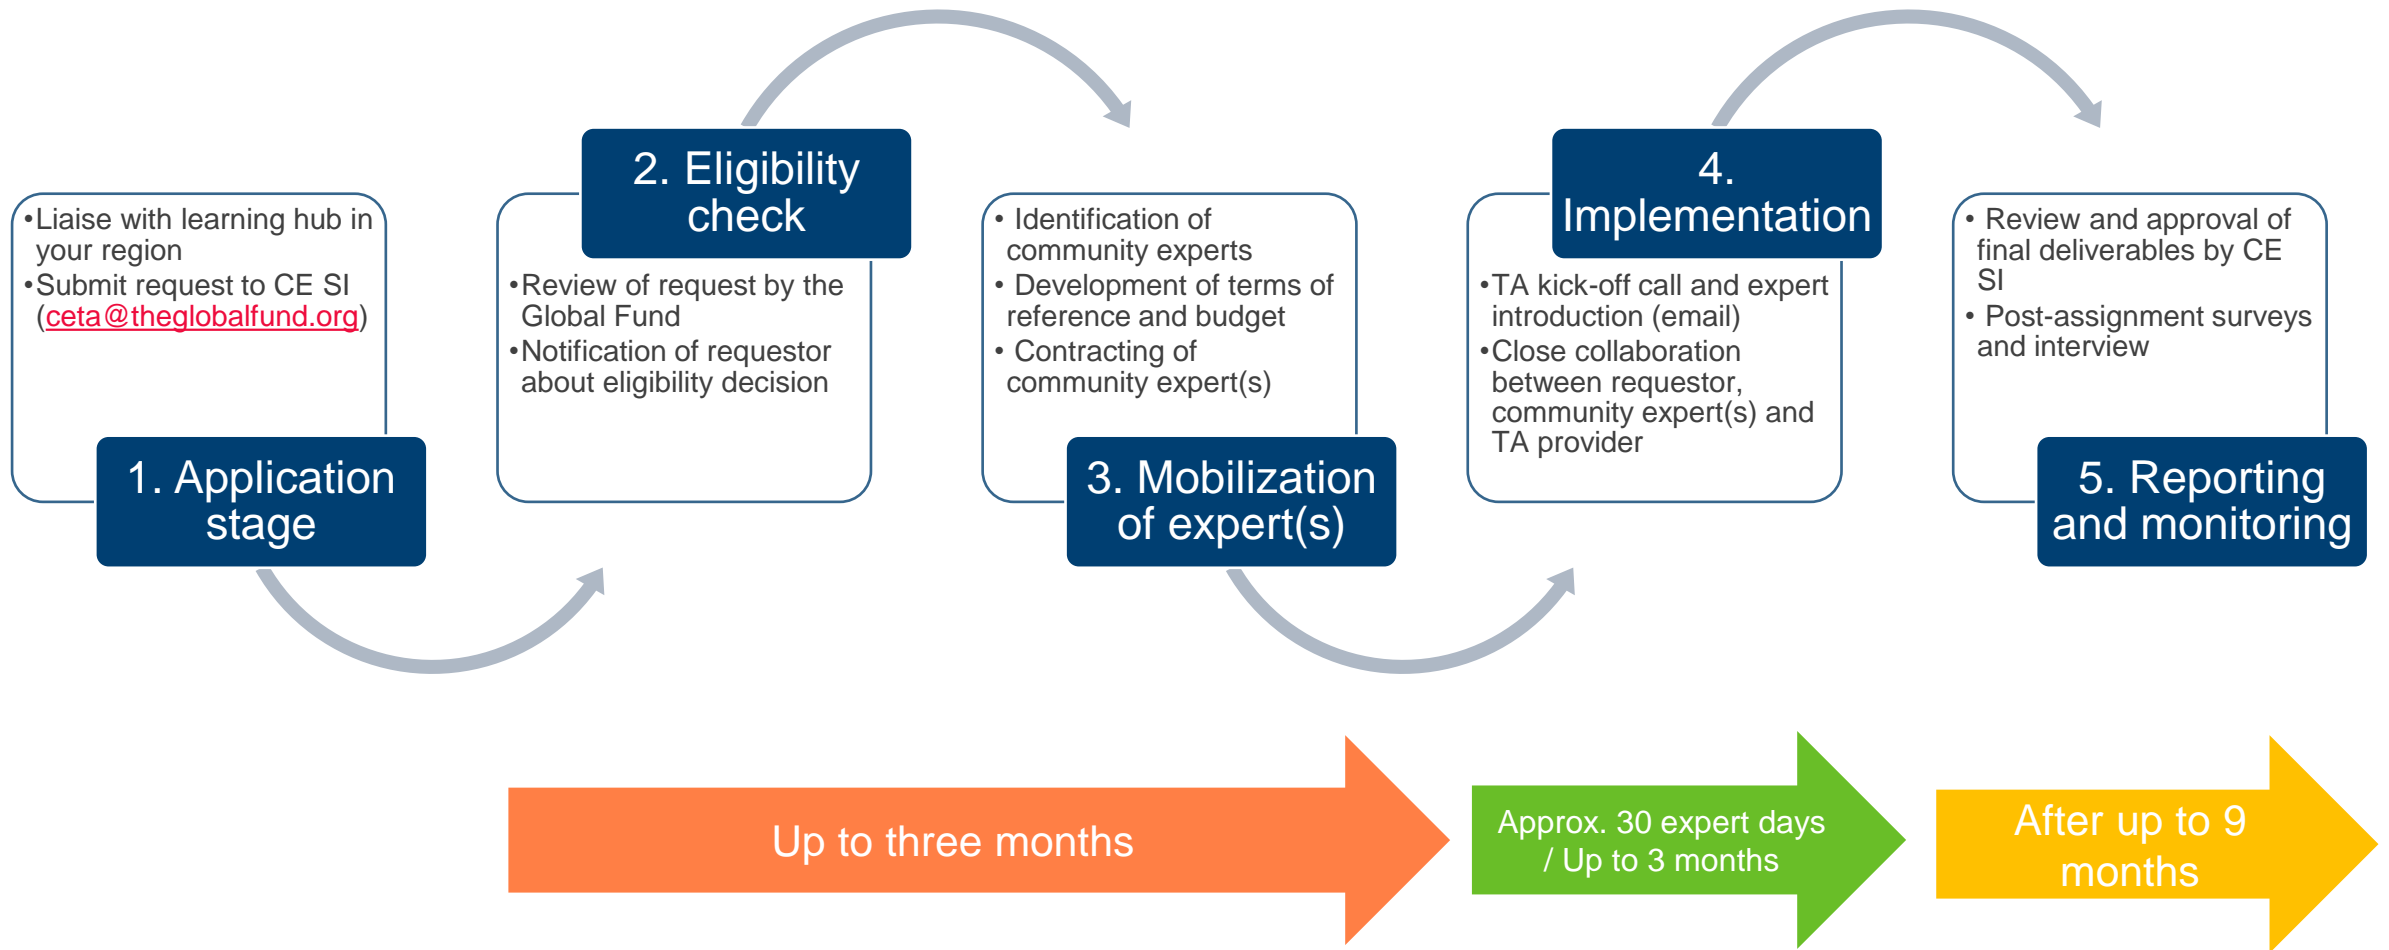

- Prioritizing and valuing lived experience and local expertise

CRG Technical Assistance does NOT support:

CCM strengthening; Long-term capacity development of civil society networks and organizations; Development of stand-alone tools that do not focus on community engagement; Funding request writing.

→ *This will be around 4-6 TAs per region, depending on the budget per TAs and demand across regions.*

TA Process

Recap – What is new?

- Reduced CE SI budget with implications on the number of TAs per region
- Updated **pool of pre-qualified TA providers with a strong focus on EECA**
- **Updated TA guidance material** on the [“Community Engagement”](#) page of the Global Fund (e.g., TA request, TA guidance note, TA provider list) *(forthcoming)*
- **Post-TA survey** conducted by learning hubs to capture key results of the TA and to disseminate relevant results and experiences regionally
- New **email address** for submitting TA requests: ceta@theglobalfund.org
